

Assist Truck Drivers Responsibilities

Must communicate with operator on show up time.

Any stand around time will involve cleaning and or greasing the crane at all times.

Make sure all rigging and supplies are neat.

Make sure all transported items are secured safely.

Be as helpful as possible to the operator.

Make sure all registration and insurance is with the truck at all times.

Must leave all trucks neat and take all trash and/or personal items at the end of each shift.
